Professor Antti Honkanen has been the Director of Centre for Tourism Studies at University of Eastern Finland since 2008. His background is in sociology but he is specialized in tourism and leisure studies. He is also the Adjunct Professor at University of Turku, Turku School of Economy and the chairman of Finnish Society for Tourism Research.

His research interest in the field of tourism studies includes seasonality in tourism, travel motivations and behavior and the impacts on tourism and second homes. He has also led several research and development projects in nature and waterbased tourism, tourism statistics and cultural and event tourism.
